

Cyber Safety:

Teaching Internet Safety

Protecting Our Children from the Major Internet Threats.

Arm your staff (teachers, teacher aides, and administrators) with the information they need to ensure our children have a safe, positive experience with technology, while also unraveling the fear and hype surrounding the online lives of our cyber kids.

In this half day course, your staff will learn:

1. Protection of Personal Information
2. Intellectual Property
3. Cyber Bullying
4. Social Networks
5. Inappropriate Content
6. Cyber Predators
7. Cyber Safety Resources

Course also available as a parent and community assembly.
